ICBMSM2E
International Conference on Bio-Materials Science, Mechanical and Electrical Engineering

1st INTERNATIONAL CONFERENCE BMSM2E 24

International Conference on Bio-Materials Science, Mechanical and Electrical Engineering, Nador, Morocco

11 - 12 20
DECEMBER 24

Marchica Lagoon Resort Hotel, Nador, Morocco

PRESENTATION

The First International Conference on Bio-Materials Science, Mechanical, and Electrical Engineering (ICBMSM2E'24) will take place at the Marchica Lagoon Resort Hotel in Nador, Morocco, from **December 11-12, 2024**. The event is organized by the **High School of Technology (EST)** in Nador, **Chouaib Doukkali University (UCD)** in El Jadida, and **Mohammed First University (UMP)** in Oujda.

ICBMSM2E'24 aims to create a platform for scholars, experts, and researchers from around the world, to share the latest and most significant advancements in Bio-Materials Science, Mechatronic, Artificial intelligence, and Renewable Energy engineering.

All full papers submitted to ICBMSM2E'24 will undergo peer review and evaluation based on their originality, technical content, research depth, accuracy, relevance to the conference, contributions, and readability.

The organizing committee warmly invites researchers, engineers, academicians, and industrial professionals to participate in ICBMSM2E'24 and join this international scientific event. We look forward to seeing and meeting with you in Nador.

TOPICS

ICBMSM2E'24 aims to provide participants an opportunity to discuss and exchange recent developments, and new ideas and share their research experiences in the fields of materials, electronics, mechanics, electricity, artificial intelligence, solar cells, photovoltaics, civil engineering, wind turbines, fuel cells, and more.

The conference will feature invited speakers, oral presentations, and contributed posters, covering a wide range of topics and issues on specific themes.

 **Bio-Materials**  **Renewable Energy**  **Environmental Engineering**

 **Mechanical**  **Electronic**  **Electricity**  **Electromagnetism**
